

DASEF's 1982 O.F.C. Vintage Raffle

We are a go for launch!

Win a piece of History! Support the Future!

For over 27 years, through academies, workshops, field trips, explorations, outreach activities and events, **DASEF (Delaware AeroSpace Education Foundation)** has been preparing children of all ages in the Delaware Valley to become thinkers, problem solvers and leaders who take pride in their work. Since its inception, DASEF has provided innovative, interdisciplinary applied learning that uses Earth and Space Science as a broad, motivational framework for teaching Science, Technology, Engineering and Mathematics (STEM) and non-traditional career choices to all children.

Recently, DASEF was selected to receive a rare and unique 1982 vintage bottle of bourbon from Buffalo Trace. *This is your chance to support STEM programs for children and win 1 of only 50 bottles ever made of O.F.C. 1982 Vintage Bourbon.*

Tickets at \$50 each (Only 200 Available) may be purchased online www.dasef.org through major credit cards or PayPal or at the following locations:

Greenville Wine and Spirits
Stateline Liquors
Painted Stave Distilling
Mispillion River Brewing Company
Atlantic Liquors
Bank's Wine and Spirits

The Drawing will be held at **8pm on Friday, February 24 at Painted Stave Distilling**

*Need not be present to win

*Must pick-up bottle in person

The DASEF vision is driven by the belief that "**Wisdom Begins with Wonder.**" Capitalizing on natural curiosity through activities that include a problem solving component enriches the applied learning process for participants.

All proceeds will be used to support STEM programs for children.
